WHY THESE SHOUREDS?

The News confesses the surprise at the character and the large number of the police officers of this city upon houses of therpolice. For each reid of the police officers of this city upon houses of therpolic. Tors are men in ufficial station who even as months activated at the arrest mode and the minimer thereof, that they has consisted to justife specifies to disclaim responsibility for or appropriation of the hostiness the copy way. It is evident that come of the prosecutions were confertable relicantly, and assume several who draw mistrifying from the public thereof, and assume several who draw mistrifying from the public thereof, there is a very apprecial notice that the city authorities have done menting which they could be authorities and was made, another advanced the extraordinary proposition that the class of affections of any the conference of the confer

tave timely notice and he shie is got way.

These regrets and this nuwtillagues to the dist in two-breshers high so have the property brought to justice reflects no creat upon affects continued to have the highest noticed to be sufficied to the continue to the property of the second to the sufficient to perform that days at all times at the gas out of the way. If draguets are to get out of the way. If draguets are to be cast out to gather up the sity's fifth, as unfortunately is nesseasity from times to the many the same times, but the way's became time, but the way's became the property of the way to describe the provided to the same descenced of the thorn becompised in Heisen to whitee of disapproval at the sauces of the head, from every efficials to whom one law-breaker neglicials to be no butter than another.

A CHERRING INCIDENT.

Judge James II. Bichards, of the Third judicial district of Idakov, who has been verged by some of his friends has been verged by some of his friends to accept the other of a law justicewhilt private month more remonerable being switch by 2. Johnson, which would private month more remonerable that the judgeship, earchaily considered the matter for about a week, and on Friday gave the asswer that his "acceptance of the effice from the electors was a mercally binding continue which in good faith he must keep to its termination, unless there should be an intimation, unless there should be an intimation, onlines there should be an intimation of the part of the people that they wished it to be instant." Judge Steptantine has perfect participal guitties it. But whether or not be has done on, he into according to freedom as he do will be a subjection of affects helding which ought to be preserved in high remembrance not only in Idaho but in all A matters a common wealth.

exposition couse the estating statute, vince paid up stuck to the annuari at least of \$100,000, which may be invested in government, thate, eshable disregard house, specified to the law, is necessary.
